### Who We Are

Holy Ground Ministry is an organization devoted to the healing and recovery of people since 2006.

Incorporated in 2024 our goal is to make sure people recover from mental illness like PTSD, marriage/family issues or emotional distress.

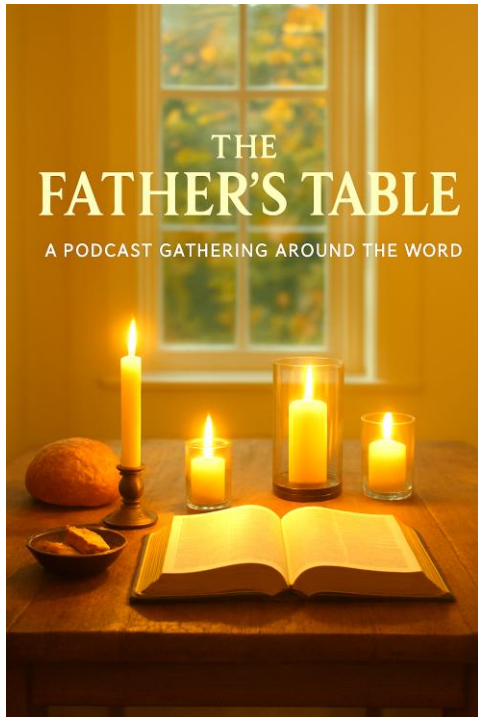

Pastor Wil Toro has over 30 years in ministry. His men's movement is called the **Band of Brothers** in Thomasville that meets on the 2<sup>nd</sup> & 4<sup>th</sup> Monday with the purpose of raising up Godly men to become leaders in their homes and community. His podcast, *The Father's Table* can be heard on Podbean.com and FB every Tuesday morning. <https://hgmnc.org/> He is open to invitations in NC/SC.

Prophetess Elizabeth (Liz) de Toro has over 35 years of education experience with all ages. She is an author and trainer. Her ministry called **The Eagle Speaks** started as a women's group in her home in 2014. Specializing in uncovering the occult and new age, she is open to teaching engagements concerning the **Power of God's Healing and Breaking FREE from demonic Witchcraft.**
