Who We Are

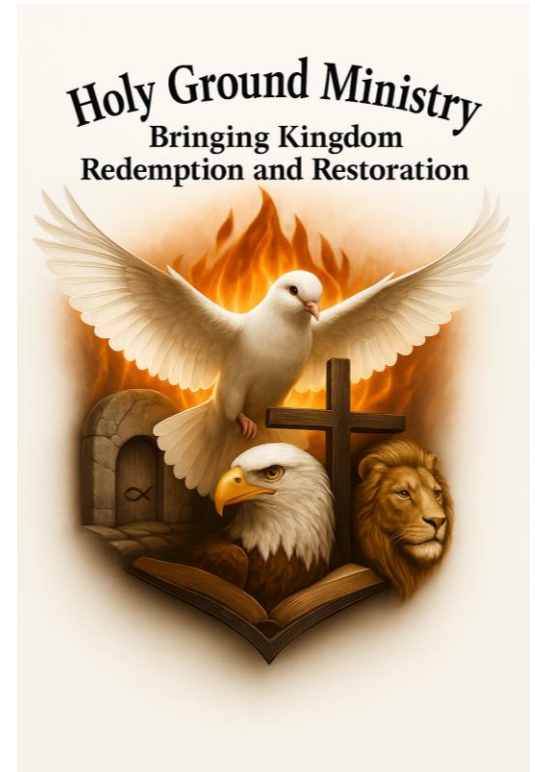

Holy Ground Ministry is an organization devoted to healing and recovery since 2006.

Incorporated in 2024 our goal is to make sure people recover from mental illnesses like PTSD, family issues or emotional distress with focus on Jesus Christ using our Marpay courses. Our newest project in 2027-2028 will help Veterans/Ex-offenders by incorporating a horticulture program geared towards mental health rehabilitation and re-entry using community agencies and grants.
